Section 4. Statement of Understanding of Financial Responsibility for BlueCare HMO Plus

I understand that treatment rendered by a provider in the First Priority Health (FPH) provider network will be paid at the highest level of benefits. I also understand that if there is no provider in the FPH network that can perform the service, and the service is medically necessary and appropriate, I can request prior authorization to a BlueCard® or non-participating provider and receive care at the highest level of benefits. I also understand that if I directly access care from a provider in the BlueCard network, my out-of-pocket expenses may be significantly higher than if I receive care from a provider within the FPH network and I will be responsible for the applicable deductible and coinsurance. I understand that my plan does not provide coverage for benefits received from a non-participating provider without prior approval from FPH. I understand that if I directly access care from a non-participating provider, I will be solely responsible for all costs incurred.
